RE: Termination of the countervailing duty investigation of monosodium glutamate from the People's Republic of China (C-570-993)

1. On 04/07/2014, Commerce published in the Federal Register its notice of termination of the countervailing duty investigation of monosodium glutamate from the People's Republic of China (C-570-993) (79 FR 19056). This investigation has been terminated because producers accounting for substantially all of the production of the domestic like product expressed a lack of interest in the issuance of a countervailing duty order.
2. United States Customs and Border Protection (CBP) should discontinue the suspension of liquidation of entries of merchandise which were entered, or withdrawn from the warehouse, for consumption on or after 12/11/2013 (79 FR 13615, 03/11/2014). Entries should be liquidated without regard for countervailing duties. All estimated countervailing duties deposited on entries of the subject merchandise shall be refunded at the time of liquidation.
3. The interest provisions of section 778 of the Tariff Act of 1930, as amended, do not apply.
4. Notice of the lifting of suspension of liquidation of entries of merchandise entered, or withdrawn from warehouse, for consumption on or after 12/11/2013 occurred with the publication of the notice of termination of the countervailing duty investigation (79 FR 19056, 04/07/2014).
5. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by OVII: JN.)
6. There are no restrictions on the release of this information.
